

InmateBlogger.com

This site is a collection of blogs written by inmates. It serves as a platform which allows them to share their stories, opinions, talents, and their inner thoughts. You can lock up a man, but you can't lock up their mind. We support, understand, and believe that writing can be a great source of rehabilitation, growth, and healing. If you know anyone in prison, give them the gift of blogging by introducing them to inmateblogger.com

The things these men & women blog about will surprise and amaze you!
